PERSONAL SERVICES

Henley Care employs highly skilled and qualified care staff on-site that are able to assist you in wide range of service options based on your individual preferences and needs.

Standard Personal Services include (but aren't limited to):

- Medication assistance
- Maintaining continence or managing continence aids
- Daily domestic tasks such as making beds and rubbish removal
- Managing communication aids such as hearing aids
- Apartment Cleaning
- Bathing, showering, personal hygiene and grooming
- Nursing education, advice or liaising with outside providers
- Social activities
- Transport
- Meal preparation and/or assistance with feeding
- Mobility assistance including the use of equipment such as wheelchairs
- Clinical nursing care such as Blood Pressure monitoring or catheter management.

CARE MANAGEMENT

Care management includes the following components:

- Reviewing the Home Care Agreement, Care Plan and budget
- Coordination and Scheduling of Services
- Ensuring Care is aligned with other supports
- Providing a point-of-contact for the client or their support network
- Identifying and addressing risks to the client's safety.

PACKAGE MANAGEMENT

Package Management covers the cost of ongoing administration and organisational activities associated in ensuring the smooth delivery of your Home Care Package. This includes the cost of preparing your Home Care Package statements and managing your package funds, claiming and reporting through government systems, and compliance and quality activities required as determined by the Government.
